## Old Business:

Opening Day: What went right and what went wrong? The Rock Climbing Wall was a BIG hit. We need more generators. We need a deep fryer for Opening Day. There should be a list posted for all to see on Opening Day. Lots of people are new and need the instructions. We should try to sell food outside of Concession. For example, people could walk around with hot dogs and cut down on the lines around lunch time. We probably just need one Coke Trailer next year. We should go back to just one 50/50 Raffle. We need to replace the lost banners for sponsors. Next year, a T-Ball team needs to get Humpty Dumpsters as their sponsor, not a Seniors BB team. Kudos to Rich Hogarth!!

Uniforms: Scott Teter says that now that the company has our logo, everything should run smoother in the future. The company wasted 8 days getting approval for the EGLL logo. If we go back to them next year, it should be much quicker. There have been 67 "change" orders. Today they added 4 new Seniors in Baseball. We need to have a better system for collecting the money for extra shirts and hats. We should also stockpile pants when they're on sale. One problem was not having sponsors assigned until the last minute. Next year we will have every size available as a sample/try-on. We will mark the samples with a marker. The softball uniforms are getting a lot of compliments. We should use local vendors for the coaches and extra parent shirts. There is a bit of a problem with the younger kids because the pants are not elastic and the kids are so small. Also, there are 3 Majors teams that are white with navy blue trim.

## New Business:

President Scott Farnham appointed the following coaches:
