Purpose

Mission Statement

The purpose of Eau Gallie Little League, Inc. (EGLL), is to implant in our youth the ideals of sportsmanship, honesty, loyalty, courage, and respect for leadership.

Authority and Validity

The Board of Directors shall be governed by the Constitution of the League on record in Williamsport, Pa. The EGLL operating rules and bylaws shall be approved by a majority vote of the Board of Directors. Following adoption of these rules by the Board of Directors, they may only be changed upon the concurring vote of majority of the Board. These rules pertain to all of EGLL.

Construction of the Rules

The EGLL operating rules are constructed in a manner intended to conform to the operating regulations and playing rules of Little League Baseball. EGLL is a chartered component of Little League Baseball (LLB) and intends to continue as such.

1. Wherever these rules stand silent, the regulations and playing rules of LLB shall be followed. Wherever these rules are in conflict with LLB Operating Manual, Regulations and Rules (except where these rules are more stringent than LLB rules) LLB regulations and rules shall prevail.
2. Whenever the EGLL engages in regular season interleague play with another chartered title league, the division involved shall play by interleague rules as may be negotiated with the other league and approved by the Board of Directors. Interleague Rules shall take precedence over these Operating Rules.

Operational Rules

Expenditures

1. All EGLL expenditures, excluding concession stand replenishment expenses, must be approved by the Board of Directors.
2. Refunds will not be considered after a player is assigned to a team, except in extreme circumstances, and only with the approval of the Board of Directors.

Training

1. Training sessions will be conducted by the league for managers, coaches, umpires and scorekeepers. League members appointed to any of these positions are expected to attend all training sessions offered.
2. Score keepers and umpires are expected to attend training clinics so that scorekeeping and umpiring methods will be consistent for all divisions and games. Each home team is required to provide a scorekeeper who has attended the scorekeepers clinic.
3. Managers, coaches, umpires, volunteers and all EGLL members are encouraged to attend any First Aid clinics provided by the league.

Team Duties and Responsibilities

1. Each team manager shall appoint a “Team Representative” to assist the league in coordinating parent participation in meeting league volunteer needs, including concession stand responsibilities, umpiring, special events for players, fund raising, work parties and other essentials in operating the league. Remind all parents and guardians that there is no paid staff for the league – everything relies on participation and volunteers.
2. When a work party is scheduled, all managers, coaches, and team representatives are expected to attend. It is the responsibility of all members of the league (parents, as well as managers and coaches or others holding a formal position with a team) to assist with maintaining the fields and facilities as a safe and pleasant place for our children to play ball. Parents are to be called and encouraged to assist in this vital function.
3. Following each game, members of both teams and spectators shall pick up paper and food containers around the fields, playing areas, dugouts, bleachers and concession stand. This is a city owned facility, and continued permission to use it makes it a vital part of the local league program.
4. Field Preparations: The Home teams shall be responsible for preparing the field for play. Time permitting, the field should be re-chalked before each game. **Both team managers and coaches are responsible for turning off any field lights and scoreboards at the end of the last game of the day.** Both team managers shall see that the dugouts are clean and all field equipment is returned to the storage area.
5. All teams Majors and up shall be responsible for providing two volunteers who will attend training and be able to umpire as needed at every game. The home team shall have the responsibility of providing a game scorekeeper. Responsibility of the scorekeeper includes keeping track of the official pitch count.
6. For any inter-league play, the home team (or host league) shall be responsible for all duties listed in items 4 and 5.
7. “Soft Toss” against any fence is prohibited. Soft Toss is allowed in designated areas only (soft toss pits). No skateboarding while concession stand is open.
8. All teams will abide by the concession schedule.
9. Team managers are responsible for following the above rules. Failure to comply with the above preparations will result in a mandatory appearance before the board.

Selection of Managers and Coaches

EGLL managers and coaches shall be selected and governed by the following rules. All managers and coaches shall be required to be paid members of the league.

5. Candidates must attend and complete one of the scheduled tryouts to be eligible for the draft unless extenuating circumstances (injury, sickness, travel) prohibit a candidate from attending one of the scheduled tryouts. In these cases all Managers must be made aware of the candidate's situation and to the best of the President/Player Agent or Division Representative's abilities a fair evaluation of the candidate's skills must be forwarded to all Managers in the division the candidate is eligible for draft.
6. Players will adhere to the league age as determined by Little League, with no exceptions.
7. Players league age 9 and 10 (league age 8 for Minors) must have approval of a parent or legal guardian prior to being considered a candidate to be drafted on a Majors (Minors) team.
8. After the draft, should an opening occur in the Majors, that opening would first be filled from a waiting list if one should exist, THEN any player in the Minors who attended tryouts, and is of league age and has consent of a parent or legal guardian shall be eligible to be brought up to the Majors level with the exception of a child of the team manager, and/or the two official coaches.

2. Each letter must be brought to a Board meeting or given to a Board member.
3. Each letter will be read aloud in its entirety before the Board. It will be determined at that time if further steps need to be taken. All Board members present will have a vote in making this determination.
4. If further action is to be taken, the appropriate Board member will notify the person(s) involved that a letter of complaint has been received. At a pre-determined Board meeting, where the contents of the complaint will be read, the parties involved will be given the opportunity to present their sides.
5. If the Board determines that disciplinary action is to be taken, it will be done as quickly as possible.
6. The letter will become part of the league's official records and be kept on file for five years.
7. The appropriate Board member with the findings will notify the parties involved.

8. The “Executive” Board shall have the authority to take necessary action on behalf of the Board in the absence of timely meetings of the Board.

Establishing a Waiting List

1. A list of players who register with the league after tryouts are finalized and teams are established will be maintained for each division. The player will be picked from the waiting list in the order in which they were placed on the list. The list WILL NOT be made available to Managers and/or Coaches.
2. Player Agents will keep and maintain the waiting list for their respective divisions.
3. There WILL BE NO waiting lists until teams HAVE 15 PLAYERS EACH.

1. The Board of Directors shall approve the game schedule for the regular season.
2. All games shall start as per the time on the printed schedule. In the Tee Ball Division and the Pre-Minor Machine Pitch Divisions, no new inning shall start after one and one half (1 1/2) hours. In the Minor Player Pitch Divisions, no new inning shall start after 2 hours from the scheduled start time. A new inning begins after the last out of the previous inning.
3. When games are scheduled “back to back” on the same field, game time shall be limited to 2 hours for Majors and all Softball divisions and 2 ½ hours for Junior or Senior baseball (Regulation X c of the Official Regulations and Playing Rules for Little League Baseball and Softball). Games that do not start on time shall not run late and interfere with any games of any league division that are scheduled to follow and must meet Little League rule 4.10 and Rule 4.11.

7. Under these circumstances when either or both team managers know that they cannot field a team for a scheduled game, both teams will notify the Division Representative who in turn will reschedule the game.

Games Rained Out

1. All “rained out” or postponed games will be re-scheduled by the division representative. The teams involved will forfeit scheduled practice time to the teams losing practice time (on the field) due to the make-up games.

Scheduled “Make-up” Games

1. Make-up and suspended games will be re-scheduled by the division representative and played at the earliest possible date.
2. In the event a rescheduled game cannot be played because of lack of players, the reschedule or forfeit shall be determined by the Board of Directors.

Season and Tournament Play

The League may elect to use the following options to determine the team rankings for the District Tournament of Champions (County) team entries.

Eau Gallie Little League will send all eligible teams to the tournament provided the Manager and players are in good standing with the league and the Manager is able to field a complete team for all scheduled games (pool players will be allowed for the District Tournament). The following rules apply to all competitive Divisions (Majors and up):

1. Win/Loss records will be kept by the Managers and submitted to the Division Representative and the Website Administrator regularly. All games (except for Inter-league games) will be considered competitive and will count towards the teams' record.
2. At the conclusion of the regular season, EGLL will hold a series of special games to determine the EGLL Champion for each Division. In each Division, teams will be placed in 2 pools based on their win/loss record. For instance, if there are 7 teams in a Division, 2 pools will be created. Pool A will have the teams ranked 1,3,5 and 7, Pool B will have teams ranked 2,4 and 6. If a Division has 4 teams or less pool play will not be necessary, proceed to step 5.
3. Special games play will be conducted according to the Tournament Rules and Guidelines for Little League Baseball. These rules can be found in the Official Regulations and Playing Rules book.
4. Two (2) teams will advance out of each pool. Tiebreaks will be determined using the DRAPI (Defensive Runs Against Per Inning) system.
5. The eventual EGLL Champion will be decided through single elimination of the teams advancing out of pool play. Brackets will be set according to Pool A winner vs Pool B 2nd place and Pool B winner vs Pool A 2nd place. The winners of these two games will advance to a final Championship game. The losers will determine 3rd and 4th place based on win/loss record in the tournament, followed by DRAPI for the tournament, followed by season record. If the Division has 3 teams the highest ranked team coming in will get a bye into the final game.
6. The EGLL Champion will get the #1 seed in the District Tournament of Champions, 2nd place #2 seed and so on. Win/loss records of the teams not advancing out of pool play will set seeding for the Tournament of Champions. In the event of a conflict over Tournament seeding, DRAPI will be employed to settle the conflict. If the teams' DRAPI and win loss records are identical a coin flip will decide the seed.

Field Decorum

1. Managers, coaches, or players removed or ejected from a game shall be suspended from their team's next physically played game (LL Rule 4.07). They are also subject to further disciplinary action upon review by the Board.
2. Managers and coaches are not allowed in the park after being ejected (LL Rule 4.07). Players ejected are not allowed on the playing field or in the vicinity of the field at the discretion of the umpire.
3. It is recommended that a suspended manager, coach or player refrain from coming to the ballpark during that suspension. Any disruption of team play or controversy on the part of the manager or coach at the ballpark during suspension may be deemed detrimental to the league and cause for further board intervention.
4. The Board of Directors shall not tolerate misconduct on the part of any manager, coach or member. Appropriate action will be determined by a majority vote of the Board. Anytime the

Board feels that disciplinary action must be taken, the effected manager, coach or member must receive notice as soon as possible. The “Executive” Board shall have full authority of the Board in the event of untimely meetings.

5. The Manager of the team shall be responsible for the actions of their spectators and shall be asked to control the games, so that the game on the field and in the stands will be conducted in a manner exemplified by Little League, emphasizing fair play, good behavior, and good sportsmanship. The umpire in charge of the game and any board members in attendance may assist the umpires, if necessary, by halting the game until good order is restored, or individuals causing problems have been removed from the premises.

3. After the meeting, managers will then vote for 10 players VIA EMAIL to the player agent.
4. In the Minors Division only a committee of 5 people, may be appointed by the Board of Directors to vote on the All Stars. These 5 people will be current members of EGLL in good

standing and will be chosen by the Board as individuals knowledgeable of the character and playing ability of the candidate All Stars in the Minors Division.

5. Once the 10 players are determined, the President will announce the Manager. It is at this time, the Manager can pick one to four players from the nomination list to complete the team.
6. If there is a conflict or disagreement among the Managers, the Board reserves the right to alter the method of All Star selection by providing a venue for skills assessment or tryouts so the Managers can fairly evaluate the players' skills and character as candidates for the All Star team.
