

## **Eau Gallie Little League Fall Ball Rules 2009**

This is a "Training and Development" season. It is played as non-competitive. No games are official, nor will an official score be kept. Umpires will not be provided. If you have a parent who wants to umpire, gear will be available. The managers will call the game from behind the pitcher's mound if an umpire is not available. Managers will call pitches for their own team not the opposing team.

Pre-minors and T-ball will bat 7 batters, and then retire for the inning. The following rules will be used for all divisions.

1. Every team will have a continuous batting order for the entire season.
2. Once the team at bat has earned 5 runs, the at bat will end.
3. No team will allow one pitcher to pitch more than 2 innings per game.
4. Free fielding substitutions shall be allowed during the season.
5. No player can sit out consecutive innings during any game.
6. Have fun and remember this is for the KIDS!!!
