### Welcome to Eau Gallie Little League

Eau Gallie Little League (EPLL) offers both baseball and softball for boys and girls ages 4-16. Players of all abilities, from newcomers to experienced ballplayers are welcome. We offer two seasons: Fall Ball (which runs from September through November) and Spring Ball (which runs from February through May).

### Fall 2025 Registration

Fall Ball 2025 Registration is almost over. Fall Ball is our instructional period. Competition is de-emphasized on all levels, with the focus on uninstructional play and learning. Players that will be moving up to a new level next Spring Season will try out the new level during Fall Ball without the pressures of competition. We do our best to make it fun and entertaining at the same time. We encourage players who want extra playing time and instructional play to come with us for Fall Ball.

Fees are \$105 for players in Minors, Majors, and Juniors (baseball and softball), \$85 for players in T-Ball, Machine Pitch Baseball, and Coach Pitch Softball. For families with multiple children, we offer \$10 discounts for the 2nd child and each additional child.

You can begin the Online Registration process by clicking [Registration](#) button on the left. Registration will continue until Fri Sep-05-2025. The rosters will be set after the close of Registration (there are no tryouts for Fall Ball) and practices will begin on Mon Sep-08-2025. Games begin in late September and continue until Sat Nov-22-2025, the last Saturday prior to Thanksgiving.

This will send the data to a Volunteer portal within the Sports Connect database. We (EGLL-Volunteer Coordinator) will select it and send it to JDP, who handles the background screening. You will get a follow up email from Eau Gallie Little League with a Link to complete the application (similar to below). This email is actually coming from JDP. You will be entering sensitive information such as your SSN and DOB which will flow back to JDP (only) so your background screening can be completed.

## **Abuse Awareness Course- Little League University (Mandatory for ALL Volunteers)**

In 2025, Little League international has mandated annual Abuse Awareness Training for all volunteers. Anyone that has not completed this training this year (Fall-Spring), is required to complete the training "Prior to starting their duties". Having said that, we need to **complete this training before practices start**. **NOTE: All Volunteers must complete this training!! As you recruit new "coaches", make them aware of this requirement.**

Once you have completed this training, please send the confirmation to [treasurer@eglittleleague.org](mailto:treasurer@eglittleleague.org). The **volunteer coordinator** will track the completions manually.

The link to the training is...<https://www.littleleague.org/university/articles/abuse-awareness-training-course/>

The safety and well-being of all participants in the Little League® program continues to be paramount, and it is on all of us to do our part to provide a fun, memorable, and safe experience each year. **With the requirement of all volunteers to complete Abuse Awareness training each year**, we are proud to announce the launch of the new Little League Abuse Awareness Course.

This course, which serves as a replacement for the programs previously available through third-party organizations like USA Baseball, is custom to the Little League program and provides an easier learning experience for our volunteers. **Required to be completed by all volunteers each year**, this course is available as part of the training and education courses at [LittleLeague.org/Training](https://www.littleleague.org/Training), making signing up for the course even easier for our volunteers.
